

NEW PATIENT INFORMATION

www.whitepinehealingarts.com

Welcome to the White Pine Healing Arts. Please fill out the appropriate medical history form as completely as possible. The information you provide is necessary to get started on the road to great health. If you have any questions, please make a list and bring them with you to your first appointment.

Appointments

We encourage you to schedule appointments in advance to ensure you receive and retain the time slot you most desire. If you have scheduled appointments in advance, and wish to make changes, it is your responsibility to cancel existing appointments. If you are unsure of your appointment, please call the office.

Parking & Directions

There are plenty of parking places just past 86 Henry going North. Please don't park in the driveway. If you have any special needs, please let us know. Directions to White Pine Healing Arts are available on our web site.

Cancellation Policy

Our Center requires a minimum of 24 hours notice to cancel an appointment. If you have missed or rescheduled an appointment with less than 24 hours notice, you will be responsible for the full charge of the office visit. In the case of "acts of mother nature" such as snowstorms or family illness, we wave our cancellation policy. We unfortunately have time constraints that do not allow for patients being more than 20 minutes late. If you find that you are running late, please give the office a call to avoid making an unnecessary trip. We will make every effort to accommodate your circumstances.

Payment and Insurance

The Center is set up for direct pay only. It is asked that you pay at the time of your visit. Check and cash are acceptable forms of payment. We do not bill insurance companies though we will be happy to provide you with the documentation you may need to submit for reimbursement.

Needles

This office uses sterile, disposable needles. Jonathan Gimbel Lic. Ac. uses non-insertion techniques.

Attire

Loose, comfortable clothing is best, as acupuncture therapy involves palpation and treatment of various parts of the body. Draping will be provided to ensure modesty. Please refrain from wearing excessive jewelry, as some metals may interfere with the efficacy of the therapy. We ask that you refrain from wearing perfume, strongly scented oils or lotions on the days you visit the Center.

Student Assistants Often students will be assisting Sharon in her practice. If you would like to see Sharon alone please feel free to ask for privacy.
